DEAR COLLEAGUES AND FRIENDS,

We are pleased to invite you to participate in the 9th edition of the International Congress of Aesthetic Dermatology (ICAD), taking place on 22–23–24 November 2018, in Bangkok, Thailand.

ICAD is now the most established and largest international medical aesthetics congress in Southeast Asia, serving the growing needs of not only this very dynamic region, but also, increasingly, the rest of the world.

Built upon a partnership between the Dermatological Society of Thailand (DST) and EuroMediCom, ICAD brings together Asian expertise and international networks to offer an unparalleled platform, with expert speakers and cutting edge scientific content.

ICAD 2018 seeks to address unique developments in the field of medical aesthetics. The next generation of medical practitioners and opinion leaders is causing a seismic change in the field, with new trends and developments constantly arising.

As always, ICAD will contain practical content, along with a special focus on what’s new in the field, with many live demonstrations.

We look forward to welcoming you to ICAD and Bangkok.

ICAD 2018 SCIENTIFIC & ORGANIZING COMMITTEE
This year, the course will address non-invasive facial treatment by injections of different perspectives.

This new and exciting pre-congress course is not to be missed, and is most suitable for practitioners of all levels (beginner / intermediate and advanced levels).

Reputable practitioners will also show clinically oriented content with highly practical concerns, including patient safety and live demonstrations.

AVAIL YOURSELF OF THAILAND’S BEAUTY!

Thailand is well-known throughout the world for the country’s gracious hospitality. The friendliness of its people and the diverse nature of Thai culture makes visitors feel at home.

November and December are the perfect time of year to indulge in a vacation or a break with warm and pleasant weather (especially on beaches and islands).

The participants can plan a trip into Thailand’s natural beauties either before or after the congress.
AESTHETIC MARKETS ON THE RISE
Asian aesthetic markets are extremely diverse, relatively large and receptive. Non-invasive aesthetic treatments are experiencing strong growth in the region. An increase of cosmetic procedures and treatment options and recent advances in technologies are expected to drive market development in the coming years.

ATTEND ICAD 2018 & STAY AHEAD IN BUSINESS
The greatest challenge faced by today’s physicians is to stay current with the rapid advances in recent medical procedures and technologies in aesthetic medicine. Taking a break from your busy schedule to attend ICAD 2018 will be a worthwhile investment for your practice’s growth & development as you sharpen your skills and bring fresh ideas back to your business.

EDUCATING A NEW GENERATION, CREATING MEDICINE OF THE FUTURE
ICAD is a high quality continuing education platform which gathers international and regional physicians in the field to exchange ideas and knowledge in order to promote more effective and safe practices. Physicians of the next generation in Asia and beyond are highly encouraged to join ICAD, which provides a unique convergence of learning, networking, sharing and fun under one roof.

INDUSTRY PLATFORM WITH TOP QUALITY PROSPECTS
Asian aesthetic markets also represent a major opportunity for global manufacturers. ICAD 2018 is a perfect place to create partnerships, to strengthen and maintain relationships with clients, and to launch new products and services. Over 70 leading companies will be represented within the exhibition space as they exploit the great market potential available in Asia.
