LIVE PLASTIC SURGERY

Dear Friends, Dear Colleagues,

ISAPS COURSE MONACO - LIVE PLASTIC SURGERY will take place in Monaco from **November 7 to 9, 2019**. This ISAPS Official Course will bring together the best and the brightest experts in the field.

Our aim is to promote and convey our **knowledge, skills and know-how** with full transparency towards delegates.

To fulfill this objective and our ambition for excellence, the committee has selected the most **innovative and practical surgical techniques** for the program.

The choice of advanced surgical procedures and the optimal treatment approach will be adapted to each clinical case.

Several **LIVE SURGERIES** will be **broadcasted from the operating rooms** to the course venue simultaneously in order to show the largest number of clinical cases in the meeting's timeline.

We are confident you'll enjoy this event.

We look forward to seeing you on **November 7, 8 & 9 in Monte-Carlo!**

YEAR 1

FACIAL REJUVENATION

For the 1st year of the program, **ISAPS COURSE MONACO** will be dedicated to **facial rejuvenation**.

More findings and understanding of the facial anatomic architecture and the evolution of surgical technique have altered the landscape of surgical practice of the aging of the face and neck.

Different advanced techniques will be addressed for a better care of the area with a long-term result.

For two and a half days, the world's specialists in the sphere of facial plastic and aesthetic surgery will teach, debate and demonstrate their knowledge in **LIVE**.

We promise you that **ISAPS COURSE MONACO - Live Plastic Surgery** will be an exceptional event.
