WHAT IS ONE2ONE

Pre-congress Hands-On training on **FACIAL AESTHETIC INJECTIONS** to be held in **Monaco (Grimaldi Forum)** on **Thursday, November 7, 2019**.

ONE-2-ONE is a **NEW LEARNING FORMULA** for sharpening your injection skills.

MODULAR PRIVATE TUITION JUST FOR YOU!
60 modules covering 5 facial zones to choose from*

**Selection of multiple zones is possible (cf. registration detail).*

Each module is composed of two learners for one tutor and one patient will allow you to sharpen your skills in a specific zone. For each zone chosen, you will spend 30 minutes to practice on the patient and 30 minutes to observe. The tutor provides guidance and support with out loud discussion and intimate interaction, presenting a shift towards learner-centered dynamic. You will enjoy and benefit from this effective learning experience.

ELIGIBILITY

This course is only available to “Fully licensed Medical Doctors”, “Physicians in course of internship” and Dental Surgeons (DDS/DMD) who are legally authorized in their own country to practice “full face” aesthetic treatment with dermal fillers and toxin.

ONE **2** ONE

ONE TUTOR
2 LEARNERS
ONE PATIENT

LIMITED SEATS!

WHY ATTEND ONE2ONE

INJECTION TRAINING WITH TOP-NOTCH EXPERTS

In response to the phenomenal level of interest and relentless increase in demand for non-surgical, minimally invasive facial aesthetic treatment with injectables, the need for qualified medical treatment skills continues to grow exponentially. This high standard private training with our selected experts represents the best opportunity to meet this demand.

SELECTED INTERNATIONALLY-REOWN TUTORS

Our tutors are selected based on their level of clinical excellence and competence in teaching. The tutors will tailor the learning strategies around the individual participant's needs to unlock their full potential.

INCREASED CONFIDENCE AND RENEWED ENTHUSIASM

This training is organized in modules of specific zones. Working with real patients under experts' close supervision will increase your confidence and enhance your skills. You will immediately be able to put new learned skills into practice.

- Boost your skills through an intensive learning and real practice
- Increase your career prospects
- Maximise your potential
- Enhance your knowledge and keep you up to date with the facial injections techniques
- Build your network and connections
- Get access to technical advice and expertise
