Symbol of a free and vibrant democracy, Taipei is a fascinating metropolis with several million inhabitants that invites you into a world of amazing contrasts: a mix of the modern and traditional, with a generous dash of energy and friendly smiles. With a strong tendency to adopt the "LOHAS" (Lifestyle Of Health And Sustainability), Taipei is a wonderful city with more than 10,000 aesthetics practitioners, allying business opportunities and a highly-educated population (half of the population speaks English). Apart from advanced medical technology well-known around the world, the city of Taipei also includes a number of important associations and committees of medical aesthetics professionals working together.

Moreover, Taiwan has the 3<sup>rd</sup> largest number of hospitals in the top 200 list, with 14 Taiwanese hospitals appearing on the list. In this unique environment, the AMWC, a must-attend event, benefits from special expertise with a quality Asian approach.

**Be one of the 2,500 expected attendees for this 2<sup>nd</sup> AMWC Asia edition, already known as THE event of the year and make your trip to Taipei a most memorable journey.**
