Dear Friends, Dear Colleagues,

We are pleased to announce the first edition of FACE – ASEAN, taking place in Bali, Indonesia, on February 27-28, 2021.

Inspired by the popularity and success of FACE – UK, we are now offering the opportunity for aesthetic practitioners and other doctors in the ASEAN region to access world-class content without the need for a long flight. We simultaneously offer the chance for intrepid doctors from around the world to discover an attractive new destination in Indonesia – a strategic gateway to all of Southeast Asia.

As with FACE – UK, the inaugural ASEAN edition will offer a program of utmost scientific caliber, with lectures and demonstrations that are highly practical and useful to all doctors practicing aesthetic procedures. Bali also serves as modern city which from which to launch an exploration into the rest of the region.

We look forward to welcoming you to Bali.
