WELCOME MESSAGE

Dear Colleagues and Friends,

The organizers and scientific committee from EuroMediCom, the Taiwanese Dermatological Association (TDA) and the Taiwanese Society for Dermatological & Aesthetic Surgery (TSDAS) are pleased to welcome you back to our **5th edition of AMWC Asia-TDAC 2023 taking place from 5-7 May 2023 in Taipei, Taiwan.** After years of border restrictions, now we can once again get together in person. This year, the delegates will have the opportunities to engage directly with our **top-notch experts and KOLs coming from around the world** to share their knowledges and techniques in aesthetic medicines and anti-aging. To mention a few, the focus on updates and innovations in aesthetics medicines, the best practice in performing aesthetics treatments to achieve the best result or the new insight in aesthetic medicine and anti-aging.

The exhibition area features top leaders from the industry. With **over 100 brands represented**, exhibitors include local Taiwanese distributors, Taiwanese subsidiaries of top international brands, and international companies coming directly from South Korea, Europe, the United States and throughout the world.

We wish you all a fruitful outcome of the congress and a rewarding learning experience here in Taipei.
