**THE FIRST EDITION OF FACIAL AESTHETIC CONFERENCE & EXHIBITION ASEAN (FACE ASEAN)
TAKING PLACE IN BALI, INDONESIA, ON OCTOBER 7-8, 2023**

BALI, 12 JULY 2023 - The highly anticipated Facial Aesthetic Conference and Exhibition ASEAN (FACE ASEAN 2023) is set to bring together renowned experts, practitioners, and industry leaders from around the world. FACE ASEAN scheduled to take place on October 7 – 8, 2023 in Bali, Indonesia, promises to be a groundbreaking platform for knowledge exchange, innovation, and networking in the field of medical aesthetics. FACE ASEAN is powered by Aesthetic & Anti-Aging Medicine World Congress (AMWC) and in collaboration between Euromedicom and PT Pamerindo Indonesia; PERDOSKI (Indonesian Society Dermatology and Venereology) as scientific partner.

With the increasing demand for advanced medical aesthetic procedures and techniques, FACE ASEAN will provide a dynamic environment for professionals to enhance their skills, explore the latest advancements, and discover emerging trends in the industry. This conference and exhibition is expected to attract a diverse range of participants, including plastic surgeons, dermatologists, aesthetic physicians, and other healthcare professionals passionate about medical aesthetics.

Delegates will have the unique opportunity to engage with leading experts through a comprehensive program that includes keynote speeches, panel discussions, live demonstrations, hands-on workshops, and scientific sessions. Renowned speakers from across the globe will share their expertise, showcasing cutting-edge research, breakthrough technologies, and successful case studies. By participating in FACE ASEAN, delegates can expect to gain valuable insights, exchange ideas, forge collaborations that will shape the future of medical aesthetics and indulge in the cultural richness and breathtaking natural wonders of Bali. Take advantage of this opportunity to elevate your business and skill expertise while experiencing the allure of this remarkable island.

The exhibition segment of FACE ASEAN will feature an array of leading companies, showcasing state-of-the-art products, equipment, and services in the medical aesthetic industry. Delegates will have the chance to explore the latest innovations, witness live demonstrations, and interact with industry representatives, fostering connections that can lead to new partnerships and business opportunities.

"We are thrilled to organize FACE ASEAN 2023, which promises to be a landmark event in the field of medical aesthetics," said Juanita Soerakoesoemah as Event Director of PT Pamerindo Indonesia. "We have curated an exceptional program that encompasses the latest advancements, scientific research, and practical insights from leading experts. Our goal is to empower professionals with the knowledge and skills to deliver outstanding results and make a positive impact in the lives of their patients."

Medical aesthetics is a rapidly evolving field, and FACE ASEAN aims to facilitate the dissemination of knowledge, collaboration, and innovation among industry professionals. FACE ASEAN presents a unique platform for participants to enhance their professional growth, network with like-minded individuals, and stay at the forefront of the ever-evolving medical aesthetic landscape.

The banner features a purple background. On the left, there is a photograph of a traditional Balinese temple (Pura) with a multi-tiered roof, and a circular inset showing a woman's face. The main text reads 'ASEAN FACE' in large white letters, with 'Bali INDONESIA' in a script font below it. To the right, it says '7-8 OCT 2023' in a yellow box, followed by 'PECATU HALL BALI NUSA DUA CONVENTION CENTER (BNDCC)'. The AMWC logo is also present. At the bottom, there are logos for AMS, im-aesthetics, EUROMEDICOM, and INDONESIA. A QR code on the right is labeled 'SCAN HERE FOR MORE INFORMATION!' and 'FACE Bali'. A link 'linktr.ee/facesean' is at the bottom right.
